is awarded a grant in the framework of the Erasmus+ 'Capacity Building in Higher Education' action.

Within the framework of an Erasmus+ Capacity Building project all equipment purchased and any provision of services **in a non-EU Member State** can be exempt from taxes (including VAT), duties and charges, if a Common Framework agreement (Financing agreement in the case of the Partner Countries in the Western Balkans) has been signed between the European Commission and the country concerned.

The present certificate cannot be used to purchase equipment or services exempt from taxes (including VAT) within the European Union. However, equipment purchased within the EU with a view to being immediately exported to Partner Countries in the framework of the Erasmus+ Capacity Building in Higher Education action may be exempted from taxes (including VAT), duties and charges in accordance with the normal rules.
