of the European Union

Strengthening capacities for the implementation of dual education in BH higher education  
(DUALSCI)

### **1<sup>st</sup> day of the meeting:**

Registration of participants was completed at 10:00h. After welcome speech, Prof. Dr. Mirko Savic, University of Novi Sad presented results of the first half of the DUALSCI project.

Representative of University of Belgrade, Representative of School of Electrical and Computer Engineering and Representative of University of Kragujevac presented results from DUALEDU project (development of legal framework, pilot study programs, dual studies after DUALEDU project). After presentation, a discussion was developed. Members of DualSCI project team ask a very constructive question, and members of DUALEDU project gave them answers and shared their experience in the development of dual education.

Strengthening capacities for the implementation of dual education in BH higher education  
(DUALSCI)

After lunch break, the meeting continued. In this part of meeting Professor Hagen Hochrinner, representative of FH Joanneum gave very detailed curriculum review. At the end of first day representatives of four universities from Bosnia and Herzegovina presented description and concept of the specific dual models HEIs. Discussion about presented curriculum, description and concept of specific dual models was very quality, potential problems were pointed out and new ideas were born.

The second day of the meeting in Subotica was Steering Committee meeting. The minutes of the SC meeting is a separate document.
